Girls Behaving Pinkly Party!

Outline

As guests come in Welcome them and give them a raffle ticket for each **Pink** item they are wearing and for each adult guest they brought with them

Welcome everyone—Let them know this is NOT the normal MK skin care class. We are partying on purpose and are Girls behaving pinkly.

Have all the guests introduce themselves and share something about themselves that we might be surprise by:) If it is a new consultant debut have them share here why they feel the new consultant will be GREAT in MK.

Explain the ways they can continue to earn tickets—Ohhh and Awe, Booking and purchasing as well as participating with questions during the Purse game.

Booking buckets—explain the different kind of MK parties they can book. Everyone can qualify for the hostess program BUT only the first three who book get their Party in a bucket.

Purse game with I-story—tickets for questions

Explain earning the pearls

Hand facials—Ultimate Miracle set, satin lips, then dot med coverage foundation on the back of each hand in the opposite color of their skin.

Satin hands

Group close using closing sheets—Give them 7 min to buy all the mk they want to.
