Hi!!

If you have already placed your order this month, CONGRATULATIONS!!! If not, it's sooo hard to believe it's been 5 months since your last order — how time flies! By not ordering this month, you will be considered "terminated" next month — I hate using that word, but that's the word the Company uses. What this means is that you will no longer be on the mailing list, no more Applause Magazines, or be on the Preferred Customer Program; and if you are a recruiter, YOU WILL LOSE YOUR RECRUITS. However, if you want to reactivate, all you have to do is place another order of \$200 or above.

With today's economy, you may want to RECOMMIT to your business and earn some extra money! Or, if you want to take advantage of the DISCOUNT, do it today! Either way, I am here for you. I have a couple of offspring directors who actually "terminated"; got excited again, and now are directors earning a lot

You can order anything you want @ 50% when you order any Section 1 products totaling \$400 retail (\$200 wholesale). [The last day to order is August 31st.](#) (If you do wait until the last day, YOU may have to assign your order with payment to your director through the Mary Kay Intouch program.)

You can order online at www.marykayintouch.com anytime, or call at 1(800) 828-9897 Monday thru Friday from 8:30 a.m. to 10:00 p.m. Central Time. You can also call me to order online through the Director's program. (With the Director's program, you can use up to 4 Credit Cards, however you must go through me). There is no charge to order online, but you need a Visa, MasterCard or Discover. You can also send a cashier's check or money order by mail with the order form. Call me if you have any questions. I would absolutely love to hear from you!

Love and belief,

Carmen Felix
