

The Climbers Don't Want You To Go!

My reports just came in and noticed it has already been 6 months since you placed a minimum \$200 wholesale order. That means you are currently in the process of being “terminated” with the company. Sounds dreadful! We can’t have something so awful happen to someone as nice as you!

“Terminated”

Means you will no longer be showing as part of our unit and the company will no longer send you the Applause magazine or company communications with updates about the new products.

If you have Consultants on your team.

you will also lose them! OH NO!

Each person in my unit is a member of my extended family. My goal as a Director has been to be your trainer and biggest cheerleader. Whether you want to be the next Mary Kay Millionaire or just service your customers, you are an important part of our unit.

We don't want to lose you!

Take Action Today!!

To remain active, simply place a \$200 wholesale/\$400 retail order (or more).

To place your order with a credit or debit card, simply go to

www.marykayintouch.com

And click on “online ordering.”

You are also welcome to call my office. I will give you personal assistance in creating it. The deadline for ordering is the last day of this month.
