

Dear Williams Area Directors,

The TOP TWO Unit Directors in the Williams Area are TRACEY CHAVEZ and TAMMY VAVALA. They have teamed up and created a call center to educate their consultants. AND they have invited the Williams Area to listen and learn! THANK YOU TRACEY AND TAMMY!

PLEASE, PLEASE DO NOT leave a message! And if you have consultants/prospects call in, instruct them NOT to leave a message either. This way, you and your consultants can benefit from this training, without burdening the go-give directors that created it.

For some directors, this will provide a training ground and/or examples to create your own call center. For others, it will provide a resource to share with your team. As long as the calls are just LISTENED to with no messages left, it benefits everyone!

proud and grateful nsd,  
cindy
